Performance Notes

We haven't been able to find any information on the writers of this song. It has certainly been popular for as long as any of us can remember. It may be one of the first songs you learned as a child.

When performing this arrangement, your quartet or chorus may wish to create some variety in the second stanza by allowing the lead(s) to sing the words while the harmony parts "loo-loo-loo" or sustain an "oo" sound from measure 15 through 20. At measure 21 all voices need to enter with exuberance, expressing "Let mortal tongues awake," etc. If you wish to do only the first verse, then the tag, use the words from measure 13 and 14 to the music in 27 and 28, still in G, of course. The tag lyrics would be "Let free-dom ring!"

As a final note: Questions about this or any other song/arrangement should be directed to the judging community and measured against current contest rules. Ask *before* you sing.
